He is best known for leading the Norway baseball team through their legendary final season, depicted in the film *The Final Season*. Kent grew up in Ankeny, Iowa, excelled in baseball at Waldorf and Luther Colleges, and spent 23 years in teaching and coaching. He will be joining us for our kickoff session on March 10.

We're also excited to welcome Karen Schumacher. She is a passionate leadership coach, speaker, and community advocate who brings real-world experience as a business owner, executive, volunteer, and working mom. Since founding her company in 2013, she has partnered with more than 100 organizations nationwide, empowering thousands of individuals and teams to overcome obstacles and reach their full potential.

Additionally, we're pleased to welcome back several familiar favorites including Dr. Celina Peerman, known for her practical, research-driven leadership training, and Marcie Van Note, who creates interactive, practical, and inclusive learning experiences that inspire confidence and lasting change.

“The LEAD Buchanan Academy has taken me out of my comfort zone in so many ways and doing the volunteer opportunity was one of the biggest but at the same time it has been great to reconnect with my hometown and hopefully be able to give back and provide more opportunities than we have in the past.”
