Contact Independence Light \& Power with any questions you have about our Revolving Loan Fund. We'll be happy to help!

## REVOLVING LOAN FUND

## SUPPORTING LOCAL GROWTH AND DEVELOPMENT

Independence Light \& Power has played an active role in the development of Independence, lowa. Through its board and staff, Independence Light \& Power has provided not only leadership but financial participation in economic and community development. Now, through the creation of a Revolving Loan Fund (RLF), Independence Light \& Power is seeking to improve the quality of life in rural areas by contributing to the long-term improvement of the economy, including job creation and retention, diversification of the economy, improving the education and skills of the rural workforce and upgrading the public infrastructure to improve the health, safety and/or medical care of rural residents.

These loans feature low interest rates, and loan amounts range from $\$ 5,000$ to $\$ 300,000$, depending on the availability of funds. Loan recipients are not required to be a customer of Independence Light \& Power.

## CALL US AT 319-332-0100

The financial need of the project, the probability of success and the benefits of the project to our rural area are all considered by the Loan Review Committee and the Utility Board. This includes number of jobs to be created or retained, the potential to diversify the economy and the quality of job creation in terms of pay scale and benefits package. Also included are any community development projects or improvements to the community infrastructure.

## INELIGIBLE USES OF FUNDS INCLUDE

- Speculation land purchases
- Payments to owners or equity investors
- Debt refinancing
- Projects that lack economic development potential
